Husch Blackwell is Top Missouri Firm in Lexology's 2014 *Client Choice* *Guide*

Partners Jeff Haughey and Jim Monafo Win Recognition

In the 2014 Lexology *Client Choice Guide – USA & Canada*, Husch Blackwell was named the leading Missouri firm, having received the highest recognition by Missouri-based corporate counsel members scoring firms based on customer service quality. The web-based legal news aggregator Lexology and the International Law Office, an online resource for senior corporate counsel members, compile the research data received after surveying only senior corporate counsel members.

Two Husch Blackwell Partners were also named exclusive winners in state-specific legal categories. Jeff Haughey won in the General Corporate category for Colorado. Haughey is a member of the Technology, Manufacturing & Transportation team and a contributor to the firm's Energy & Natural Resources team. He recently moved to Denver from the firm's Kansas City, Mo., office, and last year won the same *Client Choice Guide* honor for Missouri. Jim Monafo won in the Litigation category for Missouri. Monafo works in the firm's St. Louis, Mo., office and is a member of the firm's Healthcare, Life Sciences & Pharmaceuticals team.
