Brian Potts Named to the *Wisconsin Law Journal* Environmental Powerlist

National law firm Husch Blackwell is pleased to announce that Madison-based partner Brian Potts has been named to the *Wisconsin Law Journal* Powerlist for Environmental law.

Potts focuses his practice on complex commercial litigation, including energy and environmental matters. He advises clients on compliance with the Clean Air Act and represents organizations in government enforcement matters. Potts also assists utility companies with energy regulatory matters.

The *Wisconsin Law Journal* powerlists recognize attorneys who are leaders in the region. The Journal's editorial team made the final choices for this list based on stories published during the year, recommendations from attorneys across Wisconsin, and outcomes achieved in cases.
