Two Husch Blackwell Partners Earn JD Supra 2026 Readers' Choice Awards

Two Husch Blackwell partners have been recognized as Top Authors in JD Supra's 2026 Readers' Choice Awards, which acknowledged Doug Jones (Tax) and Julie Maurer (Transportation) as top 10 authors in their respective topic areas.

The Readers' Choice Awards recognize top authors and firms who were read by C-suite executives, in-house counsel, media, and other professionals across the JD Supra platform during the year. In total, 342 authors were chosen from a contributor pool of more than 70,000 for the visibility and engagement their thought leadership pulled from JD Supra readership in 2025.

The Readers' Choice Awards reflect a deep dive into JD Supra's reader data, with a focus on total visibility and engagement among readers across many industries interested in certain defining topics of the day. This year, the awards recognize authors for their visibility and thought leadership covering 33 key cross-industry topics (10 authors per category) and firms for their visibility and engagement in the 33 topics covered by the awards (one firm per category).
