## Husch Blackwell Named a 2026 Super Listener A-Team by BTI for Business Development

National law firm Husch Blackwell was ranked as one of the 40 best business development law firms in BTI Consulting's Super Listener A-Team 2026 report.

The report is based on direct, unprompted feedback from more than 350 leading corporate counsel across six pivotal activities: super listening (the most critical), anticipating needs, innovative solutions, creativity, educating clients, and co-solutioning.

Husch Blackwell was named "Best of the Best" in four of the pivotal activities that most influence hiring and wallet-share decisions.
