## *U.S. News & World Report Names Husch Blackwell in 2026 Best Companies to Work For List*

National law firm Husch Blackwell has been named in the *U.S. News & World Report's* list of the Best Company to Work For: Law Firms edition. Husch Blackwell is one of 341 law firms nationwide to earn the Best Companies to Work for distinction.

The Best Companies to Work For: Law Firms, a sublist of *U.S. News's* Best Companies to Work For lists, evaluates how various firms best meet the needs and expectations of their employees compared with their peers. The list considers the quality of pay and benefits; work-life balance; job stability; physical and psychological comfort; belongingness; and opportunities for professional development when determining which firms are the “best.”

In February, the firm was named to the 2026 America's Best Midsize Employers list by Forbes ranking 152<sup>nd</sup> out of 500 companies with 1,000 to 5,000 employees. Husch Blackwell is the second highest ranked law firm and is one of only seven to be featured on the list.

To calculate the U.S. News Best Companies to Work For: Law Firms list, U.S. News partnered with SurePoint Technologies and Revelio Labs, which gathered relevant data, including employee sentiment and legal market research, to calculate the six metrics used in the list. Only companies that are included in SurePoint Technologies' Legal Insights database were considered for the list. Additionally, each company had to have a minimum of 10 U.S.-based Glassdoor reviews that included written comments and star ratings between 2020-2025.
