# Husch Blackwell Advises Wincove Private Holdings in Recapitalization of Guice Offshore

National law firm Husch Blackwell represented Wincove Private Holdings, LP in a majority investment in Guice Offshore, LLC and its subsidiaries, GO Marine Services, LLC, and GO Asset Leasing, LLC.

Guice Offshore is the market leading provider of specialized marine support services, operating a fleet of 18 Jones Act-compliant offshore supply vessels (OSVs) ranging from 140 feet to 280 feet. The company supports a broad range of industries, including aerospace, defense, offshore wind, geotechnical, marine survey, deep-sea mining, and oil and gas.

The recapitalization of Guice brings significant growth capital to the business, which will enable the company to continue scaling the vessel fleet to better support its customers.

The Husch Blackwell team was led by partner Kirstin Salzman and included attorneys Brittany Huang (corporate and M&A), Lucas Whited (corporate and M&A), Sydney Hoffman (corporate and M&A), Lexie Fox (banking and finance), Shianne Brown (banking and finance), Kevin Zeller (banking and finance), Jason Reschly (tax), Jordan Bergkamp (benefits and compensation), Kris Kappel (intellectual property), Scott LeBlanc (labor and employment), and Megan Irwin (environmental).
