2026 College Compliance

Our 2026 College Athletics Compliance Report, *The New Rules of the Game: Litigation, Legislation, and the Financial Restructuring of College Athletics*, is built for the people making those decisions.

Inside the report, you'll find actionable insights on:

The current compensation landscape

The College Sports Commission, NIL clearance rules, and the first arbitration decisions

Title IX and gender equity in the revenue-sharing era

Private equity and the financial restructuring of college athletics

Eligibility framework strain from active lawsuits and updates on the Supreme Court's June 2026 ruling

Sports gambling and integrity enforcement, including federal criminal prosecution

High-impact litigation reshaping the system through 2026
