Husch Blackwell Advises Peaksware Holdings in Sale of TrainingPeaks and TrainHeroic to Garmin

National law firm Husch Blackwell served as seller's counsel to Peaksware Holdings in the sale of its subsidiaries TrainingPeaks and TrainHeroic, both leading innovators of endurance training software in the sports industry, to Garmin Ltd. (NYSE: GRMN).

The transaction is expected to further empower athletes and coaches around the world with world-class training tools, performance metrics, and actionable insights.

The Husch Blackwell team was led by corporate and M&A partner Phil Koutnik and included attorneys Rebecca Hart (corporate & M&A), Jared Bruttig (corporate and M&A), David Eckhardt (benefits and compensation), Wendy Arends (antitrust), Daniel Geraghty (tax), Tommy Benson (benefits and compensation), Brittany Huang (antitrust), Grant Leach (export controls), Shawna Ruetz (employment), Andrew Hodgson (real estate), Kriss Kappel (intellectual property) and Mindi Giftos (intellectual property).

For further information, please refer to the Garmin news release.
