Client Choice 2016 Names Husch Blackwell's John Moore General Corporate Winner in Missouri

Husch Blackwell Partner John Moore, partner in the firm's Food and Agribusiness group, was named a Client Choice award winner in the General Corporate category. Moore was the only winner in this category in the state of Missouri and one of only 13 nationwide. Moore works out of the firm's Kansas City, Mo., office.

A total of 223 winners were recognized from 34 states and four Canadian provinces during ceremonies in London February 17. The Client Choice awards were established by Lexology and the International Law Office (ILO) in 2005 to recognize law firms and partners around the world that stand apart for the excellent client care they provide and the quality of their service.

The awards criteria focus on the ability to add real value to clients' business above and beyond market peers. Only corporate counsel can nominate firms and attorneys for these awards; 2016's 383 worldwide winners were chosen from more than 2,000 individual assessments. ILO is a multifaceted online resource for senior international corporate counsel. Lexology is a daily newsfeed of law firm client alerts, articles and blogs delivered to the desktops of senior business lawyers worldwide.
