Covering more than 70 practice areas, Super Lawyers is a directory of lawyers who have attained a high degree of peer recognition and professional achievement. Only five percent of attorneys are selected to the Super Lawyers list and two and a half percent are selected to the Rising Stars list in each state. The annual selection process includes a statewide survey of lawyers, independent research of candidates and peer reviews by practice area. The Rising Star category is for attorneys who are under 40 years old or who have fewer than ten years of legal experience.
