BTI Consulting Recognizes Husch Blackwell among Top Litigation Law Firms

The BTI Consulting Group, Inc. has recognized Husch Blackwell on its “Honor Roll of Most Feared Litigation Firms” in the company’s newly-released report *BTI Litigation Outlook 2018: Changes, Trends and Opportunities for Law Firms*.

The report features emerging trends and in-depth analysis of the litigation legal market, as well as a survey of corporate counsel assessing the strength of individual law firms. Participating corporate counsel ranked Husch Blackwell among the report’s law firms that “clients fear most in litigation.” Husch Blackwell was the only Missouri-based law firm included on the Honor Roll.

BTI’s Litigation Outlook 2018 report is based solely on in-depth interviews with leading legal decision-makers at large organizations with \$1 billion or more in revenue representing more than 15 industry segments. The analysis trends data from more than 4,800 corporate counsel client interviews conducted over the span of 18 years.

Husch Blackwell’s recognition in BTI’s report adds to recognition for the firm’s Litigation practice in 2017. Last month, the firm placed 58 litigation attorneys in the 2018 *Best Lawyers in America* directory, four of whom were selected as Lawyers of the Year.
