Eberle Recognized by the Association of Fundraising Professionals

Husch Blackwell's Deputy Chief Executive Officer Paul Eberle has been named by the Association of Fundraising Professionals (AFP) as its 2017 Todd Wehr Volunteer Award recipient, an honor which recognizes "sustained volunteer dedication in raising philanthropic funds." Eberle will be presented with the award by AFP's southeastern Wisconsin chapter at its annual awards ceremony.

Eberle was nominated for the award by Guest House of Milwaukee, an organization dedicated to providing shelter, housing, education and services to Milwaukee's homeless community. Guest House of Milwaukee is one of more than 350 community organizations and foundations Husch Blackwell attorneys and staff serve in its 17 cities across the country.

The award luncheon will take place at the downtown Milwaukee Hyatt on November 20, 2017, celebrated by AFP chapters across the U.S. and Canada as National Philanthropy Day.
