Benchmark Litigation Names Husch Blackwell Nebraska Law Firm of the Year

Benchmark Litigation, a leading global legal directory exclusively dedicated to covering litigation, recognized Husch Blackwell as its 2020 Law Firm of the Year in the state of Nebraska. Husch Blackwell was also shortlisted for the 2020 Law Firm of the Year award in Wisconsin. Husch Blackwell's recognition as the Nebraska Law Firm of the Year was due in large part to the firm's work last year to secure a victory in Nebraska state court in one of the largest valuation disputes in Nebraska history.

"I am very proud of the firm and the litigation teams we have built in Omaha," said Marnie Jensen, the office managing partner of Husch Blackwell's Omaha office and lead litigator in the valuation dispute. "At every level—from paralegals and associates to senior partners—our Nebraska-based litigation teams set a high standard, and it is very gratifying to be recognized by the Benchmark researchers for our work."

The accolade was announced and presented last evening at the Benchmark US 2020 awards ceremony held at The Pierre in New York City.
