Lexis Practice Advisor®: Pandemic Flu/Influenza/Coronavirus (COVID-19) Prevention and Response Checklist

BEST PRACTICES FOR EMPLOYERS

Avi Meyerstein, Stacey Bowman and Courtney Steelman authored a checklist for Lexis Practice Advisor® that outlines key considerations as private employers prepare for and respond to influenza (flu) and potential pandemic outbreaks (including the coronavirus [COVID-19] pandemic). This guidance is appropriate for protecting a workplace at any time during a pandemic to the extent facilities are permitted to operate by authorities. Download the complete checklist.
