2021 NCAA Compliance Report: The Changing Context of College Athletics

Husch Blackwell's 2021 NCAA Compliance report attempts to dig deeper into the challenges that colleges and universities face in addressing a rapidly changing operating environment for college sports.

This white paper includes information on:

How Amateurism Is Being Redefined

Name, Image and Likeness Developments

Changes in NCAA Compliance and Enforcement

Recent and Forthcoming NCAA Investigations and Cases

State and Federal Legislative and Legal Developments
