Transportation***L.A. Biz: How the Suez Canal blockage will affect L.A. ports***

The Ever Given has been freed.

The ramifications of the massive container ship's six days stuck in the Suez Canal, however, will play out for days, weeks, even months in a supply chain that was already stretched to its limits before the international incident. Carlos Rodriguez spoke with Annlee Ellingson of L.A. Biz for How the Suez Canal blockage will affect L.A. ports
