Beau Jackson Named to Ingram's 2021 40 Under Forty Class

Husch Blackwell is pleased to announce that partner Beau Jackson has been included in Ingram's 2021 40 Under Forty class. The honor is reserved for Kansas City's leaders, achievers, and newsmakers under the age of 40.

Jackson helped start and leads the firm's Section 337 practice – litigation at the intersection of intellectual property and international trade. Husch Blackwell is the only Heartland-based firm with a full-service Section 337 practice and was recently recognized as a top 25 firm in this specialized area. Jackson has an extensive, proven record of success in some of the most high-profile Section 337 cases before the U.S. International Trade Commission. He also assists clients with a variety of other international trade and intellectual property issues, including customs and trade remedies matters.

Outside of the office, Jackson focuses on his family and stays involved in a number of non-profits. A proud Kansan, he was also recently selected to the 2021 class of Leadership Kansas.
