Lashinsky Named to 2021 Thomson Reuters Northern California Super Lawyers® List as a Rising Star

Thomson Reuters Super Lawyers has named Husch Blackwell senior associate Natalie Garcia Lashinsky to the 2021 Northern California Super Lawyers® list as a Rising Star. Lashinsky, based in the firm's The Link virtual office, is a litigator in the firm's Technology, Manufacturing & Transportation industry group. She focuses her practice on toxic tort matters, general business disputes, real estate claims, and labor and employment matters.

Covering more than 70 practice areas, Thomson Reuters Super Lawyers® is a directory of lawyers who have attained a high degree of peer recognition and professional achievement. No more than two-and-a-half percent of attorneys in a state are named Rising Stars. The lawyers who make this list must be under 40 years old or have less than 10 years of legal experience. The annual Rising Stars selection process includes a statewide survey of lawyers and independent research of candidates.
