Three attorneys from Husch Blackwell's Austin and Dallas offices were named to the Texas Top Women Attorneys list published by Thomson Reuters Super Lawyers® in the January 2022 issue of *Texas Monthly*.

Chalon N. Clark, Dallas – Business Litigation

Alison Hollender, Dallas – Healthcare

Lauren E. Hayes, Austin – Business Litigation

All three were named to the 2021 Thomson Reuters Texas Super Lawyers® or Texas Rising Stars lists. Covering more than 70 practice areas, Thomson Reuters Super Lawyers® is a directory of lawyers who have attained a high degree of peer recognition and professional achievement. The annual selection process includes a statewide survey of lawyers, independent research of candidates and peer reviews by practice area.

No more than two-and-a-half percent of attorneys in a state are named Rising Stars. The lawyers who make this list must be under 40 years old or have less than 10 years of legal experience. They go through the same selection process as Super Lawyers, excluding the peer evaluations.
