

BTI Consulting Names Husch Blackwell to 2022 Client Service A-Team

Husch Blackwell has once again placed among the top 40 law firms in the country for client service, according to BTI Consulting Group's 2022 BTI Client Service A-Team report.

The BTI Client Service A-Team designation is the only law firm ranking based solely on objective feedback from corporate counsel. Husch Blackwell ranked among the top 10 percent of the 650 law firms serving large business organizations that BTI tracks, placing 39th overall.

Now in its 21st year, the BTI Client Service A-Team report is considered one of the leading measures of its kind. Rankings are purely research-driven and are not subject to law firm submissions, self-referrals, suggestions, or payments. BTI interviewed more than 350 top legal decision-makers to rank the law firms that are best at each of 17 activities clients say drive superior client service.
