Two Husch Blackwell Attorneys Named to 2022 Thomson Reuters Northern California Super Lawyers® List as Rising Stars

Husch Blackwell is pleased to announce that Thomson Reuters Super Lawyers has named two Husch Blackwell senior associates to its 2022 Northern California Super Lawyers® list as Rising Stars: Shayan Heidarzadeh and Natalie Garcia Lashinsky.

Both attorneys are litigators in the firm's Technology, Manufacturing & Transportation industry group. Both are also based in the firm's virtual office, The Link.

Covering more than 70 practice areas, Thomson Reuters Super Lawyers® is a directory of lawyers who have attained a high degree of peer recognition and professional achievement. No more than two-and-a-half percent of attorneys in a state are named Rising Stars. The lawyers who make this list must be under 40 years old or have less than 10 years of legal experience. The annual Rising Stars selection process includes a statewide survey of lawyers and independent research of candidates.
