Thomson Reuters Names Ainlay to 2022 Massachusetts Super Lawyers® List as a Rising Star

Husch Blackwell is pleased to announce that Thomson Reuters Super Lawyers has named senior counsel Jesse Ainlay to the 2022 Massachusetts Super Lawyers® list as a Rising Star.

Ainlay, based in the firm's virtual office, The Link, is a litigator in the firm's Technology, Manufacturing & Transportation industry group. He focuses his practice on asbestos litigation and toxic tort and product liability matters. This is the 10th consecutive year he has been named to the Massachusetts Rising Stars list.

Covering more than 70 practice areas, Thomson Reuters Super Lawyers® is a directory of lawyers who have attained a high degree of peer recognition and professional achievement. No more than two-and-a-half percent of attorneys in a state are named Rising Stars. The lawyers who make this list must be under 40 years old or have less than 10 years of legal experience. The annual Rising Stars selection process includes a statewide survey of lawyers and independent research of candidates.
