To compile the list, *Austin Monthly* partnered with DataJoe Research, a software and research company specializing in data collection and verification that conducts various nominations across the United States on behalf of publishers. DataJoe facilitated an online peer-voting process, confirming that each published winner had, at time of review, a current, active license status with the appropriate state regulatory board. More than 300 lawyers in 39 specialties made the 2023 list, which begins on page 84 of the July/August 2023 issue.
