Husch Blackwell Named to *Bloomberg Law's 2023 Diversity, Equity, and Inclusion Framework*

National law firm Husch Blackwell is pleased to announce its recognition in *Bloomberg Law's* Diversity, Equity & Inclusion (DEI) Framework, a listing that recognizes law firms that meet or exceed an established threshold of diversity, equity, and inclusion.

Husch Blackwell is one of 55 U.S.-based law firms that have been acknowledged for its strong commitment to diversity, equity, and inclusion and distinguished performance across the framework's six pillars: demographics, leadership and talent pipeline, recruitment and retention, business innovation and strategy, marketing, diversity and inclusion in the community.

Bloomberg Law's DEI Framework is a platform for standardizing law firm diversity metrics. The *Bloomberg Law* team partners with *Bloomberg's* Gender-Equality Index team, as well as diversity leads at major firms to design a comprehensive Data Collection Instrument. The Collection Instrument is reviewed and updated annually to ensure alignment with industry trends, methodologies, and best practices.
