International Trade Law: 2023 Year in Review & Outlook for 2024

Husch Blackwell's fifth-annual international trade law year-in-review report provides a detailed look at what transpired in international trade law during 2023 and takes a peek at how the coming year might develop.

Our downloadable report, "International Trade Law: 2023 Year in Review & Outlook for 2024," focuses on these key areas:

U.S. Customs and Border Protection Developments

Trade Remedies

Export Controls and Trade Sanctions

Supply Chain and Logistics

Special Section on the Uyghur Forced Labor Prevention Act (UFLPA)
