BTI Consulting Group Recognizes Husch Blackwell as an Elite Litigation Firm

Husch Blackwell was named by BTI Consulting Group as one of the most feared litigation law firms in a recent ranking published in connection with the BTI Litigation Outlook 2025. This ranking is based solely on in-depth surveys and telephone interviews with leading legal decision makers.

Husch Blackwell has achieved several notable litigation victories for clients across various industries, including an appellate win in a dispute over Ponzi recoveries in the U.S. Court of Appeals for the Fourth Circuit on behalf of the court-appointed receiver; a victory secured by a land use litigation team on behalf of Tillman Infrastructure in the Wisconsin Court of Appeals, involving a broad preemption ruling and permits to construct a new AT&T telecommunications tower; and the dismissal of a product liability lawsuit filed against a Chinese tire manufacturer in Hidalgo County, Texas.
