Rob Kamensky Contributes to IICLE® *Business Law: Miscellaneous Operating Issues 2024 Edition*

Rob Kamensky has contributed to the Illinois Institute for Continuing Legal Education's *Business Law: Miscellaneous Operating Issues 2024 Edition*.

This practical resource guides attorneys representing businesses on matters such as securities, franchising, trade secrets, and intellectual property rights.

Kamensky, a Chicago-based partner in Husch Blackwell's Technology, Manufacturing, and Transportation industry group, focuses his practice on mergers, acquisitions, divestitures, and strategic alliances, as well as supply chain transactions, licensing, and other corporate matters.
