Missouri Lawyers Media Names Six Husch Blackwell Attorneys to 2024 Top 100 POWER List

National law firm Husch Blackwell is pleased to announce that six of its attorneys have been named to the *Missouri Lawyers Media* Top 100 POWER List for 2024.

Partners Steve Carman (Mergers & Acquisitions), Curt Chase (Healthcare Law), and Kirstin Salzman (Mergers & Acquisitions), and Senior Counsels Tiffany Baldwin (Immigration), Terry Potter (Employment Law) and TaRonda Randall (Sports & Entertainment Law) were honored throughout the year in their respective practice areas. At the end of the year, *Missouri Lawyers Media* reviewed hundreds of Power profiles published in the previous 12 months to find the cream of the crop — the Top 100 attorneys in Missouri and bordering metro areas.

Carman is a member of the firm's Energy & Natural Resources industry group. Chase heads the Healthcare, Life Sciences & Education industry team, while Salzman leads the Corporate and Securities & Governance practice teams. Randall focuses her practice on compliance, legal, and regulatory issues in college athletics. Based in St. Louis, Potter is a member of the firm's Labor & Employment practice group, while Baldwin is a member of the Business Immigration and Global Mobility practice group.

Carman, Chase, Salzman, and Randall are members of the firm's Kansas City office.
