Tom Cedoz Honored in Michigan Lawyers Weekly's Up & Coming Lawyers of 2025

National law firm Husch Blackwell is pleased to announce that Michigan Lawyers Media has named partner Tom Cedoz a 2025 Up & Coming honoree, which recognizes attorneys—in their first 10 years of practice—who are establishing themselves as future leaders through their ambition and accomplishments, and their drive and dedication to the practice of law.

Based in metro Detroit and a member of Husch Blackwell's virtual office, The Link, Cedoz defends clients in labor and employment lawsuits, contract disputes, and other commercial litigation matters. He has a special concentration in labor and employment matters, particularly collective actions under the Fair Labor Standards Act (FLSA) and noncompetition litigation.

Cedoz and the 2025 honorees will be recognized at an event on Friday, April 25.
