Husch Blackwell Maintains No. 1 Ranking on AHLA's Top Honors List for Third Straight Year

National law firm Husch Blackwell has retained the top national ranking from the American Health Law Association (AHLA) for the third year in a row. The Top Honors recognition from AHLA comes months after the firm retrained the top health law firm by the American Bar Association (ABA).

“Our aim over the past 10 years has been to go from a regional powerhouse in the Midwest to a national player, and this recognition is a testament to those efforts,” said Curt Chase, partner and leader of Husch Blackwell’s Healthcare, Life Sciences and Education business unit. “Our team has grown from coast to coast to better serve the needs of our clients. This accolade not only highlights our unwavering commitment to excellence but also underscores the incredible talent and dedication of our professionals. I could not be prouder to be part of such a great team, whose relentless pursuit of innovation and superior service continues to set us apart in the industry.”

In addition to topping the AHLA and ABA lists, Husch Blackwell’s healthcare team has received numerous accolades over the past year, including national rankings from *Chambers USA* and Legal 500 United States in their healthcare law categories, and was listed as one of the Top 10 largest healthcare law firms by *Modern Healthcare*.
