Glynias, Potter Named to *Missouri Lawyers Media's 2025 POWER List in Employment Law*

National law firm Husch Blackwell is pleased to announce *Missouri Lawyers Media* has named St. Louis-based attorneys Joe Glynias and Terry Potter to its POWER list for Employment Law for the fifth consecutive year.

Glynias, who serves as Husch Blackwell's Chair, concentrates much of his practice on the facets of employment law that regularly change, such as wage and hour collective/class actions under state and federal law. He also counsels clients on the Family and Medical Leave Act (FMLA), the Worker Adjustment and Retraining Notification Act (WARN), Department of Labor actions, and discrimination laws.

Potter, a senior counsel and a former field attorney with the National Labor Relations Board (NLRB), focuses his practice on labor and management relations. Employment contracts, regulatory issues, worker safety, and wage and hour disputes are all within Potter's scope. He is adept at union avoidance techniques, and he represents employers in collective bargaining, arbitration and complaints in front of the NLRB. He also assists national companies with state-by-state regulatory landscapes.
