Patrick Conner and Jason Reschly Named to *Missouri Lawyers Media* POWER List for Tax Law and Estate Planning

National law firm Husch Blackwell is pleased to announce that *Missouri Lawyers Media* has named partners Patrick Conner and Jason Reschly to its 2025 POWER List for Tax Law and Estate Planning.

Conner, based in Husch Blackwell's St. Louis office, leads the firm's Private Wealth group. He focuses on wealth, tax, trust, and estate planning; estate and trust administration; probate; privately held business and corporate planning; asset protection planning; special needs planning; and probate and trust litigation.

Reschly, based in Kansas City, represents a variety of international food and agribusiness clients on issues relating to reorganizations, purchases, divestitures, sales of businesses, and tax considerations—including tax credits—with respect to financings.

The full *Missouri Lawyers Media* POWER List, which profiles the state's most powerful attorneys in tax and estate law, is available here: *Missouri Lawyers Media* POWER Tax Law and Estate Planning (log-in required).
