### OVERVIEW

Ron gets deals done. With drive and determination, he ensures that every detail of a transaction is managed to meet client goals.

With more than 30 years' experience, Ron has handled acquisitions, dispositions and loans on commercial and industrial properties and vacant land totaling more than \$2 billion in value, and varying from \$1 million to nearly \$200 million.

He is a trusted counselor in sophisticated real estate transactions that involve a property's entire life cycle. Ron advises developers and investors on the acquisition, sale, financing, operation and disposition of real property, along with title-related matters, surveys, preparation of leases, reciprocal easement and operating agreements, restrictions and covenants. His property representations have included commercial, industrial and mixed-use developments; office buildings; apartment complexes; vacant land; and space and ground leases.

He represents one of the largest real estate investment trust (REIT) shopping center developers in the country and regularly serves as
