OVERVIEW

Christina facilitates product liability and asbestos litigation matters for clients and attorneys.

Christina assists attorneys and clients in mass tort and product liability matters. Christina has a wide range of experience in paralegal assistant work. Her background includes monitoring state and federal regulations, working closely with clients regarding compliance.

Clients and attorneys appreciate Christina's broad legal background in Energy & Natural Resources, as well as Real Estate, Development & Construction. She is familiar with how multiple industries work – and work together – and she uses this knowledge to meet deadlines, collaborate with relevant agencies, conduct due diligence and move client projects forward.

Industries

Manufacturing
Technology
Transportation
