OVERVIEW

Reuben works to understand where clients want to go and then helps them get there.

Reuben advises financial institutions on workouts and restructurings, LIHTC financings, cash flow loans, asset-based loans, commercial and industrial loans, acquisition financings, construction loans, permanent loans, syndicated loans, letters of credit and the purchase of bonds. He also advises buyers and sellers on the finance and real estate aspects of mergers and acquisitions.

Additionally, he advises investors, buyers, sellers, landlords and tenants in commercial, industrial and residential real estate transactions.
