OVERVIEW

Alyssa assists clients and legal teams with complex product liability and transportation litigation.

She's known for troubleshooting and solving problems proactively as a matter of course, whether conducting legal research or assisting attorneys in the courtroom throughout Texas, in state and federal courts. Alyssa's ability to communicate, meet critical deadlines and streamline matters often means more cost-effective solutions for clients. Both legal teams and clients value her as a key player when handling:

- Catastrophic personal injury
- Product liability
- Premises liability
- Security liability
- Consumer fraud and bad faith
- Contract disputes
- Construction litigation
- Employment disputes

Alyssa's efficient business models include eDiscovery and e-file case management and docketing, strong planning skills and a readiness to adapt to change. Clients appreciate that she prioritizes their multiple needs while never compromising quality.
