OVERVIEW

As part of the firm's eDiscovery Solutions Team, Meredith identifies key evidence for client cases.

Meredith has more than a decade of experience managing, reviewing and analyzing the hundreds of thousands of e-documents that comprise complex litigation. Using her legal knowledge, eDiscovery insight and project management skills, Meredith delivers evidence critical to overall successful case strategy. Clients and legal teams rely on Meredith for:

- Multidistrict litigation (MDL)
- Quality control and final review
- Attorney-client privilege documents
- Protected health information (PHI) under the Health Insurance Portability and Accountability Act (HIPAA)

A fierce advocate for client success, Meredith understands that eDiscovery offers clients efficiency, cost savings and streamlining. She enjoys the collaboration of eDiscovery teamwork and helps manage legal reviewers to insure clients are getting the best legal and technological product possible.
