### OVERVIEW

As a corporate transactional attorney, Lucas works closely with clients across a variety of industries to identify creative, customized solutions.

Lucas is a versatile transactional attorney who advises clients across a wide spectrum of industries on complex matters, including mergers and acquisitions, restructurings, joint ventures, and financing transactions. With a particular emphasis on the renewable energy sector, Lucas regularly represents clients in the acquisition, development, and financing of wind, solar, and other renewable energy projects.

As a Delaware-licensed attorney, Lucas brings extensive experience in areas of corporate governance and entity selection, guiding clients through the intricacies of organizational structure and best practices. He collaborates closely with clients and the firm's nationwide team to deliver innovative, cost-effective, and tailored legal solutions that address both immediate needs and long-term business objectives. Lucas is recognized for his strategic approach, commitment to client service, and ability to anticipate and resolve challenges in a rapidly evolving legal and business landscape.

## Community Leadership

Lucas has volunteered with several nonprofits – such as soup kitchens, community gardens and housing repair organizations that keep families in their homes. Lucas also works with nonprofits in an advisory role on a pro bono basis – advising them on volunteer waivers, nonprofit status, board functions and other critical elements that help these organizations continue to help others.
