## OVERVIEW

**A skilled corporate attorney, Shelby helps clients successfully navigate the complexities of financing, developing, and selling large-scale projects.**

Shelby advises on mergers and acquisitions, securities, and corporate governance, bringing a strategic and solutions-oriented approach to transactions in the renewable energy and infrastructure space. With a pre-law background in communications and advertising, she has a gift for simplifying complex deal terms and fostering collaboration among diverse stakeholders, ensuring projects move forward smoothly.

To Shelby, one of the most rewarding aspects of working in the corporate mergers and acquisitions space is the opportunity to bring two parties together. Her ultimate goal: to facilitate a positive outcome for both parties every time.

Recognized for both her client service and her commitment to pro bono work, Shelby is a trusted confidant for companies seeking to grow and invest in high-value infrastructure sectors such as data centers and renewable energy.
