OVERVIEW

Anna combines her legal experience and background in healthcare operations to gain a unique understanding of her clients' needs.

Clients appreciate Anna's depth of understanding of hospital operations and her ability apply that understanding in the continuously evolving healthcare regulatory field. Anna's years of experience working for a multi-hospital system and executing projects across the spectrum of care mean that Anna has personal knowledge of the decisions her clients make every day. This experience paired with Anna's legal experience in the regulatory field enables her to bring clients an invaluable perspective on the bigger picture of healthcare both within and beyond hospital doors.

Anna helps clients with a broad range of state and federal regulatory areas, including:

- Medicare and Medicaid enrollment and payment
- Fraud and abuse laws
- Government and private audits
- Medical staff governance
- Patient issues

Anna is excited to practice in her hometown of Austin.
