OVERVIEW

Elizabeth advises clients on complex commercial real estate transactions.

Elizabeth has a particular focus representing borrowers and lenders in sophisticated commercial real estate financings. She also advises clients on a wide range of commercial real estate transactions, including real estate development, leasing, purchases, sales, and joint ventures. In connection with the foregoing, she guides clients through the complexities associated with a variety of property and project categories, including multi-family properties, office and industrial buildings, hotels and casinos, mixed-use projects, and vacant land.
