OVERVIEW

Matti offers practical solutions to corporate matters. He practices from Fergus Falls, Minnesota as a member of our virtual office, [The Link](#).

Matti is a corporate attorney committed to providing strategic legal counsel to businesses across a diverse range of industries. He brings a distinct and valuable perspective to his practice, drawing upon his background as an academic philosopher to apply rigorous analytical skills to complex legal challenges. Matti focuses on building strong partnerships with clients, taking the time to understand their unique business operations and aspirations.

Matti works on a variety of corporate legal needs, including mergers and acquisitions, commercial contracts, and private equity fund formation. Matti also advises on the Corporate Transparency Act, including counseling a Fortune Global 500 company on its CTA obligations.

Known for his thoughtful approach and commitment to client success, Matti excels at translating complex legal concepts into clear, actionable advice. He enjoys the challenge of finding pragmatic solutions to potential obstacles, always aiming to secure the best possible outcomes for the businesses he represents. Matti is passionate about helping clients achieve their strategic objectives and facilitate growth, serving as a trusted advisor through every stage of their business journey.
