OVERVIEW

Jean zealously advocates for clients in litigation. She practices from Easton, Pennsylvania as a member of our virtual office, The Link.

Jean came to the practice of law with a passion for truth, justice, and service. She cares deeply about selflessly serving and giving a voice to others as they navigate the justice system.

Jean joined Husch Blackwell in 2024 to expand the firm's capabilities in Pennsylvania and serve as boots on the ground in this litigation-heavy state. As a zealous advocate for the firm's technology, manufacturing, and transportation clients, Jean handles personal injury, premises liability, and product liability cases for the nation's largest transportation companies and complex indemnity and employment-related disputes for international staffing agencies.

While Jean has a strong reputation for her leadership and communication skills, she is perhaps best known for her ability to connect with clients. Jean is dedicated to immersing herself in clients' businesses and industries to fully understand their purpose, perspective, priorities, and goals. Driven by their needs and her commitment to fair results, Jean provides each client with a creative and customized approach, aiming to achieve the best outcome for all.
