OVERVIEW

Gohar has a strong foundation in general litigation, focusing on breach of contract and real estate matters.

With a meticulous and client-focused approach, Gohar is eager to assist clients in navigating complex legal challenges while ensuring their needs are met with diligence and care. Her dedication to delivering results, paired with her ability to provide comfort and reassurance, makes her a valuable asset to the team.

Gohar's legal practice centers on handling various litigation matters, particularly contract disputes and real estate issues. Her organizational skills and attention to detail enable her to approach cases comprehensively, ensuring that every deadline is met and that each step of the process is managed carefully. Gohar's ability to connect with clients and instill confidence in their representation has defined her work, making her a trusted advocate for both individuals and businesses.

What sets Gohar apart is her commitment to building meaningful relationships with clients. She takes pride in being approachable and sociable, which helps clients feel at ease during what can often be a stressful process. Gohar prioritizes client concerns and strives to deliver results that align with their goals, earning their trust and appreciation. She approaches each matter with the mindset that the client's priorities are her own, ensuring a collaborative and results-driven experience.

Services

Commercial Litigation

Litigation & Alternative Dispute Resolution

Experience

- Manage all aspects of litigation defending automobile manufacturers, ensuring comprehensive case handling from inception to resolution.
- Conduct in-depth legal research and prepared detailed memoranda and professional correspondence for clients, providing well-founded analysis to support case strategies.
- Draft written discovery including interrogatories, requests for admissions, and requests for production of documents; respond to same.
- Prepared legal briefs including motions to dismiss, motions for summary judgment, and writ petitions for a wide range of practice areas including appellate law, government law, and insurance law.
- Attended settlement negotiations, depositions, mediations, pre-settlement conferences and motion hearings.
- Handled over 30 insurance defense cases at one time from preparing offer letters to drafting release contracts, declarations, and other documents in compliance with policy limit demands.
- Drafted and filed pleadings, motions, and legal memoranda for white-collar criminal defense cases, including fraud, insider trading, and embezzlement.
- Conducted comprehensive legal research on federal and state regulatory frameworks and criminal statutes.
- Reviewed and analyzed large volumes of documents for discovery and internal investigations.
