OVERVIEW

Michelle has been an integral part of Husch Blackwell for more than 19 years, bringing extensive experience and dedication to her role.

She has gained valuable experience in document preparation and production, particularly for matters related to Corporate, M&A, & Securities and Real Estate & Development.

Michelle's interest in the legal field began during her time at the Virginia Beach Circuit Court. She later worked at a Title and Escrow Company before earning her Paralegal degree, solidifying her commitment to the profession.

Currently, Michelle supports the Energy & Natural Resources team, where she plays a key role in helping clients develop and invest in wind, solar, and storage projects. She manages communications with landowners, organizes and tracks acquisition documents, and ensures attorneys have seamless access to critical project files.

Industry
