

HEALTHCARE

Husch Blackwell has a national reputation for providing exceptional healthcare legal services. Our healthcare law team includes more than 150 skilled attorneys – all with experience in the healthcare industry. We offer competitive rates, creative use of alternative fee approaches, and an efficient staffing model to help healthcare clients advance their unique business goals.

By collaborating across disciplines, our healthcare attorneys offer comprehensive counsel and solution-driven services that address healthcare industry pressures. That gives our clients an edge in a challenging industry that is growing rapidly, constantly evolving, and facing heightened regulatory and financial scrutiny.

Our services include:

Case Studies

Express Scripts, Inc.

Plaintiff HM Compounding Services LLC sued Express Scripts alleging that ESI wrongfully terminated provider agreements in an alleged attempt to dominate the compounding pharmacy market for itself.

CoxHealth

In August 2020, the plaintiff filed a defamation suit against CoxHealth and an executive after the executive posted a message on Twitter to clear up any confusion regarding a promotion the hospital system was offering—free telehealth appointments for virtual COVID-19 testing for uninsured

First off, I want to say thank you to you and your team for producing the hospice law podcast. I still remember the first time I found it on Apple Podcasts and thought, “this is so niche this can’t be real?” Then I binged some episodes and now I’m a fan!

— Michael Hunt,
Managing
Owner, Pacific
Coast Hospice —
