Lexology's 2013 Client Choice Guide Names Husch Blackwell Exclusive General Corporate Winner in Missouri

Partners Joe Glynias and Jeff Haughey Also Named

Husch Blackwell was named the winning General Corporate Missouri firm of the *Client Choice – USA & Canada 2013* publication, compiled using the research results of Lexology and the International Law Office (ILO). Husch Blackwell was selected by receiving the most nominations of its Missouri-based corporate counsel members. In addition, two Husch Blackwell Partners were the exclusive winners of their legal categories in the state of Missouri: Josef S. Glynias won the Employment & Labor category and Jeffrey T. Haughey won the General Corporate category. Glynias works out of the firm's St. Louis, Mo., office and Haughey recently relocated from Kansas City, Mo., to the firm's Denver office.

The Client Choice Awards were established by Lexology and the ILO in 2005 to recognize law firms and partners around the world that stand apart for excellent client care and quality client service. The awards criteria focus on the ability to add real value to clients' business above and beyond market peers. Only corporate counsel can nominate firms and attorneys for these awards, and the 2013 winners were chosen from more than 2,000 individual assessments received worldwide. ILO is a multifaceted online resource for senior international corporate counsel, and Lexology is a daily newsfeed of law firm client alerts, articles and blogs delivered to the desktops of senior business lawyers worldwide.
