Husch Blackwell's James M. Ash Named to BTI Client Service All-Stars 2017 List

The BTI Consulting Group has named Husch Blackwell's James M. Ash to its 2017 BTI Client Service All-Stars. BTI listed 319 individual attorneys in its 2017 report, which recognizes attorneys who are mentioned by corporate counsel of leading business organizations for providing superior client service.

Ash, who leads the Husch Blackwell's Food & Agribusiness group, has a wide-ranging practice that includes mergers and acquisitions, international expansion, governance, securities and various general corporate matters.

The BTI report is the result of over 310 in-depth, independent interviews with corporate counsel from large and Fortune 1000 companies and includes only those attorneys singled out during these interviews. No attorney can lobby to be added to list, there is no self-submission process, and law firms cannot provide names of clients to be contacted.
