Two Husch Blackwell Attorneys Named to D.C. 2017 Super Lawyers

Two Husch Blackwell attorneys in the firm's Washington, D.C. office have been named to the 2017 Super Lawyers list.

Michael Gatje, of counsel in the firm's Energy & Natural Resources and Real Estate, Development & Construction groups, was named in the practice areas of Construction Litigation: Business and Government Contracts.

Linda Walsh, senior counsel in the firm's Energy & Natural Resources group, was named in the practice areas of Energy & Natural Resources and Utilities.

Only up to five percent of attorneys per jurisdiction are named Super Lawyers. Selecting the attorneys includes peer nominations by seasoned attorneys followed by detailed evaluations, which are matched against third-party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Selections are made on a state-by-state basis annually.
