Husch Blackwell Ranks in Top 10 in Annual "Best of the Best" Real Estate Law Firms by *Midwest Real Estate News*

Midwest Real Estate News announced that Husch Blackwell is in the top 10 of the "Best of the Best" Real Estate Law Firms in the 13-state region, according to its 2015 rankings in this month's annual supplement. This is the first year that the firm has participated in the magazine's annual awards and Husch Blackwell is listed as number 10. Rankings are determined by the number of real estate transactions and related dollar amounts in the previous year.

Midwest Real Estate News is one of the region's leaders for commercial real estate news. According to the publication, hundreds of surveys are submitted each year to the magazine for consideration by firms from across the Midwest.

"We are proud to be recognized as a top real estate law firm by Midwest Real Estate News," said Carrie Hermeling, Strategic Business Unit Leader for the firm's Real Estate, Development & Construction Business Unit. "Our team is uniquely designed to serve the real estate investor and developer. We have over 100 real estate professionals devoted to the real estate industry. At the start of each transaction, we partner with our clients to identify a plan which manages their risks and costs to achieve their desired outcome on time and on budget. Helping our clients achieve their business goals is the driver for our group."
